

Christmas Wishes

We want to ensure that Monmouthshire's most vulnerable children and young people are not forgotten this Christmas. You can help us make this happen by way of a financial donation no matter how small, or by donating a purchased gift.

Who will you be helping?

Current vulnerable children and families Social Services are working with, our children who are looked after, disabled children/young people and care leavers (18-25 years) who have no family.

What is planned for the donations and gifts?

All donations collected will be used to purchase gift cards for older children and these, alongside the kind gifts purchased for you, will be delivered throughout Monmouthshire in the run up to Christmas.

What can you do to help?

Make a difference to a vulnerable child/ young person at Christmas by donating a gift at a community hub, or by giving online at
