Dear parents/carers,

We are delighted to share some information about the Seesaw app.

Following on from the parental survey in the autumn term; around school/home communication, we have decided to develop the use of Seesaw, to enable our families to see their children's work, as well as have access to class messages/updates.

In our school, each child has been set up with their own Seesaw journal within the class account.

Seesaw - <http://seesaw.me> is a secure online journal where students can document and reflect on what they are learning in class. Your child is beginning to add work (including photos, videos, worksheets, drawings, and voice recordings) to their Seesaw journal.

In terms of privacy, Seesaw only uses this information to provide the service outlined above and doesn't advertise, create profiles of students, or share/sell your child's personal information or journal content.

You can read more about their privacy promises here: <https://web.seesaw.me/privacy>

Under an EU law called the General Data Protection Regulation (GDPR), for your child to use Seesaw, the school must get your consent.

For more information on GDPR, please visit <https://ec.europa.eu/info/law/law-topic/data-protection/reform/rights-citizens>

We hope that your child will enjoy using Seesaw to document and share their learning this year.

Please sign below and return this permission slip so that your child can use Seesaw.

On receipt of this permission, you will be sent a class letter which will also need to be returned signed.

Please return the form by Wednesday 17th May 2023

I give consent for my child, named below, to use Seesaw for class activities.
