Packed lunch guidance- No nuts and no chocolate!

We are a no nut and a no chocolate school. Please do not include these items in your child's lunch box.

We are still noticing that a number of packed lunches are containing chocolate items. These items may contain nuts that could seriously affect children in our school with severe allergies. After half term please do not include chocolate or nut-based items in your child's packed lunch. If these items are seen in lunch boxes, we will have to confiscate them and return them to parents/carers at the end of the day. As a school, we have a duty to guarantee that every child's well-being is not compromised.

Healthy eating school

Our school is a healthy eating school. Therefore, please can you ensure that children only bring in water in their drink bottles. Likewise, only fruit or vegetables must be brought in for morning snacks or alternatively use the fruit tuck options available within the school. (see below)

School attendance

Our attendance target for this academic year is **95%**. Any requests for authorised absences will not be approved if a child's attendance is below this figure. School governors have also agreed that if a child's attendance goes below 80%, the school will make a referral to the education welfare service to seek support above and beyond that from the school.

If you are having difficulties with your child's attendance, please ask the school for support so we can work together to prevent your child's attendance becoming a concern.
